August 2022

The Oscoda Education Opportunity Foundation is a nonprofit tax exempt organization created for the benefit of students enrolled or graduated from Oscoda Area Schools. The mission of the Foundation is "to partner the resources and passions of our generous donors with the compelling needs of our students." In the last 30 years we have awarded over \$1,000,000 in scholarships to graduating seniors, mini-grants for staff and students and Continuing Education Scholarships for Alumni of OHS. By contributing to the Oscoda Education Opportunity Foundation you will help ensure the sustainability of these scholarships, mini-grants and perhaps allow us to add new initiatives. Your gift will be pooled with many others to create a lasting impact benefiting our students now and in the future.

Employees of the Oscoda Area School system can help continue this great cause by contributing to the Education Foundation using payroll deduction. We call this the "Owl Club." All contributions are tax deductible. We designate "Owl Club" money to Mini-Grants for OAS staff. Below is a form that you can complete and return to Chelsey Butterson, Human Resources. By contributing, even a small amount, you can continue the tradition of helping meet the needs of our students. You can also be assured that there will be monies available now and in the future which will help our schools and most important, the students of Oscoda Area Schools with their learning experiences K-12 and post-secondary. If you have any questions, please contact us at oaseducationfoundation@gmail.com.

Oscoda Education Opportunity Foundation
Payroll Deduction Application
